

Walls

~While you're away~

Walls

I Wait

{ooo--uh--aaah-l-l-l-l-zzzzzzzz}

Pff-pff-K (breathe) pff-K

Wait

Love your enemy, and

If you pray, throw one up

For the one who crushed

Your hat, cut you off yesterday,

Stole your dreams in long-term,

Twisted schemes called Wal-Mart

Or the Wall-Street {zzzzzzzzzzzz}

Pff-pff-K (breathe) rrrrrrrrrrrrrrrrrrrT

If there had been none,

Think about it,

Humpty would have had no reason

To crumble pff-K-pff mmmmmmm

in your arms.
